

## Hopewell Valley Athletic Fields

Township of Hopewell | Mercer County, PA

Van Cleef was retained by the Hopewell Valley Regional School District to prepare engineering plans and bid specifications for the construction of new softball and baseball fields at the Athletic Fields at the Timberlane complex.

The work included design of a subsurface drainage system, grading, skinned infield, dugouts, bull pens, batting cage, fencing and backstop.

Van Cleef provided complete engineering services from project inception through final acceptance.
